

BOLA SPHERE TABLE

DESCRIPTION

The Bola Sphere Table series fuses an elegant blown opal glass sphere with a mirrored disc base in polished stainless steel to give the illusion of a floating orb in space. Taking its cues from the Bola Family Collection, the new table version brings this magical combination to a table surface, allowing for full range dimming and is available in 3 distinct globe sizes: 8" (20cm), 10" (25.5cm), and 12" (30.5cm). Its mating base is available in 3 corresponding diameters: 9.5" (24cm), 12" (30.5cm), and 14" (36cm) in 4 exquisite finishes: chrome, brass, rose gold and gunmetal. Each finish provides a distinct personality for any residential, contract, or hospitality environment.
