

CIRO TABLE

DESCRIPTION

Ciro redefines the task light as an expressive continuous form. Ciro's fluid tubular structure integrates light and geometry into a unified system, delivering precise illumination while maintaining a minimal footprint. A rotating base and fully articulating head provide complete directional control, allowing light to be positioned downward for tasks, sideways for wall wash, or upward for ambient illumination. This flexibility enables Ciro to function as both a high-performance task light and a versatile ambient solution across desktop and wall applications. Crafted in aluminum, with select components in ABS, Ciro ensures smooth 360° articulation and long-term durability. Integrated dim-to-warm technology delivers warm, human-centric light. Offered in three refined finishes: graphite, clay, and white sand. Ciro integrates effortlessly into both residential and architectural settings.

FIXTURE TYPE

Table

LIGHT SOURCE

High output LED COB

LIGHT CONTROL

Full range dim control

FEATURES

- Glare-free illumination
- USB-C charging port
- Available grommet-mount

SPECIFICATIONS

- Voltage: 120-240V 50-60Hz
- Power Consumption: 6W MAX
- Color temperature: 3000-1800K DTW
- Luminosity: 330 Lumens
- Luminaire efficacy: 55 Lumens/Watt
- Color Rendition Index: 95 CRI
- 50K hour lifespan
- Cable length: 6' (183cm)
- Global multi-plug adapter available

CERTIFICATIONS

PRODUCT CODES

Ciro Table (Graphite):	CIRO TBL GPT
Ciro Table (Clay):	CIRO TBL CLY
Ciro Table (White Sand):	CIRO TBL SND

PACKAGING WEIGHT AND DIMENSIONS

CIRO TABLE:	5.6LBS	18.3" X 13" X 5'
	2.5KGS	46.5cmX33cmX 13cm
