

PANTAYA SCONCE

DESCRIPTION

Pantaya Sconce, designed by Patricia Urquiola in collaboration with Haworth and Pablo Designs, explores the intersection of soft technology and structure through a refined wall-mounted expression. Inspired by high-performance tent structures and athletic wear, a continuous one-piece 3D-knitted polyester mesh is stretched over a precision-engineered aluminum chassis, creating a luminous form that feels both architectural and light in presence. Crafted from 100% recycled polyester, the knitted cover functions as both shade and diffuser, transforming light into a warm, tactile glow while seamlessly concealing the internal frame and integrated LED components. Illumination filters softly through the knit surface, evenly dispersed across the form to provide comfortable ambient light with subtle directional presence. Fully dimmable, Pantaya Sconce shifts effortlessly from atmospheric warmth to brighter functional light. Offered in four sophisticated earth-tone colorways: Graphite, Sand, Olive, and Roest. Pantaya Sconce brings a soft architectural presence to workplace, hospitality, and residential interiors.

FIXTURE TYPE

Wall/Ceiling

LIGHT SOURCE

High-Output LED Array

LIGHT CONTROL

Hard-wired, dimmable

Compatible with TRIAC/ELV and 0-10V dimmers

Dali compatibility upon request

FEATURES

Full-range dim

SPECIFICATIONS

Voltage: 120-277V 50/60Hz

Power Consumption: 66W

Color Temperature: 2700K

Luminosity: 1750 Lumens

Luminaire Efficacy: 27 Lumens/Watt

Color Rendition Index: 90 CRI

Title 20 compliant

30K hour lifespan

CERTIFICATIONS

PRODUCT CODES

Pantaya Flush (Sand):	PANT 24 WAL SND
Pantaya Flush (Graphite):	PANT 24 WAL GPT
Pantaya Flush (Roest):	PANT 24 WAL ROE
Pantaya Flush (Olive):	PANT 24 WAL OLI

PACKAGING WEIGHT AND DIMENSIONS

Pantaya Sconce	14.5lbs	28.3"X28.3"X11.6"
	6.6Kg	72cmX72cmX29.5cm
